

Heather's Appeal

‘Successful Conclusion to Heather's Appeal for Children’s Hospice South West’

The last steps to finalise IPDG Graham's Wife, Heather's Fund were taken at the end of October. Thanks to the generosity of Clubs and Partners throughout the District Heather was delighted to find that donations totalled just under £6,000.00.

In line with her plans this has been shared among the two existing Hospices, Little Bridge House and Charlton Farm and the Precious Lives Appeal for the new Hospice being built in Cornwall..

A cheque for £1,900.00 has been sent to **Little Bridge House** who want to buy some large outdoor sensory items including a sound making Rain Wheel, which will probably get a lot of use! Plus a Dizzy Disc and a Turtle Drum - visual, sound and climbing equipment.

Similarly, £1,900.00 has gone to **Charlton Farm** so that they can purchase a whole selection of useful items including a special, adjustable, activity table, cameras, puppets, sensory books and DVDs and much more that will allow those staying at the Centre and their families to have a better time there.

Finally, at a small ceremony at the November Zone C Meeting at Looe, Heather was pleased to present a cheque for the balance to CHSW Area Fundraiser Judy Pride (picture) in the presence of Lions whose Clubs had contributed and members of the Liskeard Group Friends of CHSW.

Pictured Left are

Rear L to R - IPP Lion Peter Edgington (Looe), Wendy Handley (Friends of CHSW), Graham Lang (IPDG), Gwyneth McLoughlin, Sue Bailey (Friends of CHSW)

Front L to R - Judy Pride - Area Fundraiser (CHSW) - Heather and cheque, IPP Lion Liz Evans (Torpoint & Rame).

Heather would like to thank all Clubs in the District, to let them know how much their generosity is appreciated and how pleased she is to be able to make a little difference to all these special Children's lives as she hoped with this wonderful result.

Judy Pride expressed the sincere thanks of CHSW and the Precious Lives Fund for the donations and complimented all Lions on their support for this important Charity and hoped they would continue to keep CHSW needs in their minds."
