Dear Friends

Thank you so much for your support of life-limited children through Children's Hospice South West since our foundation in 1991.

Following a meeting with many of you at the Autumn Forum 2010 in Okehampton and subsequently at the Cabinet Meeting on 14 May 2011, I am writing to invite as many clubs as possible, to join us in a very special celebration of 21 years of Children's Hospice South West, which will run for the whole of the next calendar year.

Many of you have already indicated that you wish to support us and we have many ideas of how we can support you.

A résumé of what we do and some ideas regarding fundraising, together with ways in which we can support you, are to be found in the attached document.

We would obviously love to have the support of as many clubs as possible and to that end, if you would like one of my colleagues to come and speak to you about the whole idea, to share ideas with you and to further advise you about what support we can offer, then we would like that very much indeed.

Please contact my PA, Donna Jones on 01271 313318 or by e-mail at donna.jones@chsw.org.uk if you would like someone to come along to one of your club meetings.

Finally, can I thank you all for the massive support you have given to Children's Hospice South West since our very infancy. Lions International as an organisation was, I think, a major factor in the Charity getting off to such a flying start. Your friendship over the years has been very much valued.

Thank you for helping us to make the most of the short and precious lives of life-limited children in this wonderful region of ours.

I look forward to hearing from you,

With thanks and very best wishes,

Yours sincerely
