

## **DISTRICT GOVERNOR'S WIFE'S CHARITY FOR THE YEAR**

As District Governor's wife, my charity appeal this year is the CHESTNUT APPEAL, which supports men with Prostate Cancer, and their families. This year, the main fundraising is to buy 2 portable scanners/biopsy machines costing £35,000 each.

Doctors will take them out into the community to local small community hospitals, and test men/take biopsies there and then—no more having to wait for an appointment at one of the large district hospitals, so, this way, diagnosis can be made much more quickly, and therefore save lives by giving treatment earlier.

Please send all donations to District Treasurer, Lion Graham Marshall payable to District 105SW, clearly marking the reverse of the cheque

'Chestnut Appeal'

Thanking you in anticipation,

Lion Marjorie Cane
