We Serve

## Sight Survey MD105SW –October 2011

Fellow Lions.

Following Forum 2 years ago a survey was carried out of the Districts involvement with Sight projects.

I would appreciate an update after 2 years as we move towards the Signature Project and sight's importance within it.

Please help me to collate this list and if you haven't a dedicated Sight Officer in your club, please consider the appointment.

So please take the time to answer the questions and feed back to me. Even a nil return is useful.

Please return to

Chilton House
