

## District 105SW

Supporting the Precious Drops Campaign

# Lions Clubs Milk Boxes Update

Your support with sponsoring the Breast Milk Boxes over the past 12 or more months has been fantastic. This has provided the FreeWheeler's organisation the capability to support the Breast Milk Bank being set up in Southmead Hospital and the regular distribution of that milk across our District.

The FreeWheeler's organisation has now purchased approximately 100 milk boxes **of which the Lions of 105SW have purchased over 70 of them** (for information the other boxes were provided by the Moose organisation). These boxes (see photos) will now be labelled up with the Lions logo and distributed across our district over the coming weeks and months. This will mean that sister motorbike organisations will soon start to hold these boxes to aid distribution across the district when that is needed.

The delayed launch of the Southmead Milk Bank will be on **November 1st at 10:30 for 11:00**. This is an opportunity for the District Lions to attend the opening if they so wish. The FreeWheeler's have asked if we could provide a couple of Lions (in Lions suits) alongside the nurses to help advertise the support given to this cause. We are keen to avoid the potential conflict between suited Lions and Suited Mooses and the chaos that could ensue...

This is also an opportunity for Lions that are interested in supporting more directly the Precious Drops Appeal, as they would be most welcome as it provides the opportunity to meet the staff.

This photo opportunity for Lions, as well as a chance to meet the milk-bank team, the NICU nurses, some of the consultants, and others who will benefit from the new service. FreeWheeler will be bringing along at least 30 boxes so that we can get a good photo.

Please get back to me if you wish to support Lions at this opening event.
