

TACADE APPEAL

District 105SW

'I am I know I can' is a valuable educational resource for young people encompassing citizenship and various topical issues in line with National Curriculum requirements. It is produced by Tacade and, because about 50% of schools receive little or no support for personal, social and health education, the Lions/Tacade partnership is truly beneficial.

Recently, £6,000 was needed to fulfil existing orders and at the Youth Symposium each District was challenged to raise £500 for this purpose. Six Districts have already contributed so I am now requesting participation from District 105SW.

A donation of £20 to £25 per Club is suggested, to be forwarded by cheque, payable to LCI District 105SW, with TACADE APPEAL on the reverse, to our District Treasurer, PDG Graham Marshall. Your contributions will be very much appreciated.

With many thanks,

Lion Jean Langmead

District Life Skills and Street Children Officer
