

New equipment for District

At the cabinet meeting in November it was agreed that the district would purchase 3 projectors and 3 flip stands. This investment is being made by the district to provide the tools needed by the GMT/GLT for membership development including the My Ideal Club programme.

These will be held by the three GMT/GLT Advisors in each county Cornwall, Devon and Somerset and when they are not being used GMT/GLT will be available for zones and clubs in those counties to hire at no cost.

The projectors will work with most laptops and will play DVDs provided the necessary software has been installed on the laptop. No screen are provided but they will project adequately onto any flat wall.

Lions Clubs International have produced some excellent DVDs which are ideal to show to members and the public. So if you are thinking of holding a Lions Awareness evening then make sure you book one of the projectors so you can show a DVD. The GMT/GLT Advisors in each county are as follows:

Cornwall

Heather Stanley

Tel.: 01726821483

Email: pstan87375

Devon

Peter Wells

Tel.: 01404822089

Email: lionpeter@btinternet.com

Somerset

Alan Harker

Tel.: 01275877716
