

DISTRICT FUN DAY

CREALY ADVENTURE PARK

SUNDAY 28th MARCH 2010

I am pleased to announce that the District Fun Day will take place once again at Crealy Adventure Park near Exeter on Sunday 28th March 2010.

I have already had a meeting with the events manager at Crealy, Joanne Solely, but we have yet to agree an entrance fee as this will be dependant on numbers. I would also be grateful if you could inform me if food is required to enable me to agree a price before the day.

I have managed to secure a room for our use where bags and the like can be left and as a general meeting point.

Crealy has six areas or 'Realms':

- ◆ Adventure including Log Flume, Victorian Carousel, Driving School
- ◆ Magic including The Prince's Train, Treetops Playground, Magical Kingdom
- ◆ Action including Techno Race Karts, Water Wars
- ◆ Natural including Dragonfly Lake, Picnic Meadows
- ◆ Animal including Animal Barn, Stables
- ◆ Farming including Pet's Paddock, Summer Sunflower Maze

Refreshments which can be provided by Crealy:

- ◆ Hotdog, pancake and drink (hot meal)
- ◆ Sandwich, sausage roll, crisps. chocolate cake, drink (picnic box)

Guests will be able to bring their own refreshments or perhaps Lions Clubs would like to supply a picnic as part of the day. Unfortunately carers and Lions will have to provide (or buy) their own lunch.

Please e-mail your club's interest (or not) by **15th February 2010** with an indication of numbers to dave.lyon@tesco.net or telephone me on either 01392 439926 (Business) or 07867 723581 (Mobile).

I will then contact you as soon as possible after that date to confirm the cost and then ask you to complete a booking form and send a cheque to cover the entrance costs.

Lion David Lyon — District Physical and Learning Difficulties Officer
