

Multiple District Youth Centre 2011

Multiple District Youth Centre 2011

**MULTIPLE DISTRICT YOUTH CENTRE
HOSTED BY
DISTRICT 105SW AT MILLFIELD SCHOOL**

Many months of planning by Lion Clive Cooper and his team paid off with a very successful and enjoyable Youth Centre at Millfield School. Forty one students from 25 countries including France, India, Japan and Peru attended the Youth Centre with Lions David, Ian and Brenda ensuring that everything ran smoothly.

As well as team building, sports day and crafts the group visited Bath, Bristol, Wells Cathedral and the Bishops Palace as well as time for the cinema and shopping. The planned visit to London was cancelled owing to the unrest and instead they visited the Big Pit in Wales.

The young adults watched the news with great interest but could not understand why our country appeared to be at war with itself.

A Gala Dinner held at the end of their stay was attended by 90 Lions and partners who joined the students together with the Chairman of the Council of Governors, our District Governor and other distinguished Lions. Youth Exchangee Brittany Lennox spoke on behalf of the students and had everyone laughing at her anecdotes following her trip to Newcastle and how even though she was from Canada she struggled with the language barriers!

The committee would like to thank those clubs who organised and sponsored visits, the District Youth fund for sponsoring the team building, sports and craft days and to all the volunteers who helped during the Centre especially the intrepid quartet from Callington!

sporting activities,
football, golf and for
the girls dancing.**

*The final words come from a parent, Ruchitaa Mehrra - Thank you to all the Lions of 105SW. My son Abbishek just cannot get over it, he misses you all, the Lions, his host family and all the other participants. I am so very grateful to you all - I cannot express enough by just saying **THANK YOU!***
