

# District 105SW Scrapbook Competition

Clubs who wish to enter the District Scrapbook Competition are invited to bring their entries to **District Convention** at Croyde Bay for judging on **Saturday 10<sup>th</sup> March 2018**

The key criteria are:

1. All entries must be in book form with a clearly defined front cover.
2. The Scrapbook should cover the period of the preceding Presidential Year. Where the book is in a continuous format, judging will only take place on material covering the specified year.
3. Contents can include newspaper and magazine coverage, clippings, club bulletins, newsletters, function programmes, menus, tickets, photographs and pictures.
4. Entries will be judged by Lions from outside the district and the results announced and the trophy presented to the winning Club during District Convention.

The key thing is that the scrapbook is interesting to those both outside your club and Lions and should convey the character of your club.
