

# BACK TO THE FUTURE

## “Change” The Sequel!

On the 22<sup>nd</sup> October we held the first Change seminar, out of the 89 attendees only 1 said they wouldn't attend the next. If you missed out, now's your chance! On the 20<sup>th</sup> May we return by popular demand to go beyond the den. The aim is to progress the momentum into our clubs. You have the power to change your clubs destiny but only if you're there!
