

LIONS ENVIRONMENTAL PHOTO COMPETITION

The Lions Environmental Photo Competition provides a way for Lions to show their pride and commitment to improving, protecting and preserving, through a photography, the beauty of the environment.

There are four categories

- **Animal Life**
- **Plant Life**
- **Weather Phenomenon**
- **Other aspects of nature, including landscape**

The photograph can be black and white or coloured and must be original and unaltered and should depict the local environment of the community the Lions Clubs serves ie within the geographical area of MD105

The size must be 13 x 18cm

There should be NO people in the photographs

Each Lions Club can submit two photos in each category and send them to the District Officer.

The winning District photograph from each category will be entered into the Multiple District Competition

The impartial judging of the photos will focus on originality, artistic merit and portrayal of the environmental theme

Please send your Club winning photos to:
