

Refund of Convention Booking Costs

Dear Fellow Conventioneer

A more cheerful note in these uncertain times; I am able to refund your Convention booking costs.

In discussion with District Treasurer PDG Lion Lesley Clarke it has been decided that the quickest, safest and most efficient way to do this is by BACS transfer. You will need to provide Lion Lesley with your bank name, sort code and your account number, and she will transfer the money directly into your account (please do not send these details to me). This can be done even if you are not on email. Should you not have an email account then please telephone the details to Lion Lesley (this is for security purposes as it will avoid involvement of a third party). When the money has been transferred please let Lion Lesley know.

Rest assured fellow Lions that your details will not be kept after your refund has been made.

All monies paid to PDG Lion Graham Marshall and recorded by him against your name will be refunded. I ask you to be patient as this will take some time to complete.
