Dear All

This is a quick and easy process to nominate our charity for a £1000 award.

We're not putting it on Social media because I'm guessing the more charities going for it the smaller our chances would be.

There seems to be no limit to the number of nominations and in fact the more we have the better our chances.

All you need is our CIO Number, press the search symbol and our charity name (3 Million Steps) should come up. Enter name & your email address. It's done ✓

CIO No: **1180230**

If you know of other people who may like to nominate us then please share this info.

Gratefully

Zara
